## **BOYLE CO FISCAL COURT ANNOUNCES THE 2023 TAX RATES AND FILING DEADLINES**

Boyle County Judge Executive Trille Bottom has announced the 2023 Tax rates and filing dates for businesses operating in Boyle County. “Anyone who is working or conducting business within the boundaries of Boyle County is required to file a License Fee Return (net profit) and pay the Boyle County rate annually. Furthermore, if the work is being performed within the City limits of Danville, the Danville rate must be paid as well,” said Boyle County Judge Executive Trille Bottom.

**2023 License Fee Rates (net profits) are:**

1.25% of the net profit earned within the County of Boyle

-AND-

1.75% of the net profit earned within the City of Danville

Filing date for License Fee Returns are April 15 or within 105 days of the end of your fiscal year.

**2023 Occupational Fees (wage withholdings) are:**

1.25% of the net profit earned within the County of Boyle

-AND-

1.90% of the net profit earned within the City of Danville

Occupational Fees are filed quarterly and due: April 30<sup>th</sup>, July 31<sup>st</sup>, October 31<sup>st</sup> & January 31<sup>st</sup>.

Businesses inside the city limit will file and pay both rates on returns. Even if a business reports a loss, License Fee Returns are required.
